“ One of the many fond memories that we have of Lorene is when we traveled to Las Vegas. We were able to get front row seats to a show and were picked to participate in a game with the entertainer. We were suppose to throw rings over the entertainer's head but our aim was poor and the rings went flying everywhere except where they were suppose to go. We were fortunate enough to have the opportunity to go on several trips with Dale and Lorene including Hawaii and are thankful for those fond memories. We are grateful to have known Lorene and for the friendship that we shared.
