“ Words could never express how wonderful this woman was to me. She was there for me at a time in my life when people were being hateful and making me wonder if life was worth living. She was like a second mother to me and always made me feel special. I always looked forward to seeing her at Sunday Service where I'd be at the piano and she at the organ. We were just connected at the heart and although I haven't seen her in years she's always been in my heart. I played the organ when she Married Jessie Ackley and it blessed my heart to see her so happy. She always had a hug for me and never left without saying I love you. Rest In Peace my sweet friend. I'll see you again where the roses never fade. To her family my sincerest sympathies as it's so hard to loose a loved one but she's home where she belongs, waiting for us all to join her at the banquet table. I love you Lottie. Thank you for always being there for me.
