“ What a beautiful woman. We have been doing her taxes for several years and have known her family since her Mom and Dad were alive, living in Ulster and to went to their home and prepared their taxes by hand. We actually re did our office with a wheelchair ramp just so this beautiful lady would still have room to come every year. We have said a lot of prayers for this beautiful woman over the years and will continue to pray for her family. Please know the staff at Strope's Tax Service will mourn her loss. Anyone who knew her will miss her presence!
