“ So sorry for your loss. I know it is a hard time but just remember you have a guardian angel watching over all of you guys. I am sorry I cannot make home for the service but my thoughts will be with all of you. June was always around as I was growing up. I even tried to move in with guys once. She watched out for all of us and made some fun times for us growing up. My love to you all, Susie

“ My condolences on the passing of June. I loved having the opportunities to visit with her. She was spunky, determined, and simple. She was also one of the best dressed older ladies I've had the pleasure of knowing. She will be missed.
