“ Mack and I were friends for a long time. Even though we drifted apart over the years I'll remember the times we shared in our partying days. This is how I'll always remember him. Even though he is gone just remembering him he will always be around forever. I just know he is with God now. God bless all of his remaining family members. Rick Moore.

“ *Mack and I were friends in High School. We went to his Senior Prom together. He was a nice guy and good friend. I haven't seen Mack in years but have thought of him often. I am very sorry to hear of his death and the deaths of his parents and his brother Ed. My thoughts and prayers are with the family.*
