“ *My heart sank when I read about Fred and Mam's passing, they were the greatest of people to know, society has lost a great couple. I can hear their voices now just thinking about them, I have many fond memories of their generosity in my visits along with my Dad (Bill Johnson) to their home while we were on the mountain. May the Glory of God be with all who knew them and with their family.*

“ *To the Bennett Family. I'm so sorry for your great loss. I think their love was so strong that when one went the other was ready to go with them. I don't think I've seen a love so strong and true in many years. God Bless You all and the wings of Angels that took them to Heaven.*
