“ *I worked with Marcia at Towanda High School. She was kind and would do anything she could to help students and staff. But, most of all I valued the warm friendship and support she offered to me. I see that your family has lost three members in a short period of time. I hope that your memories of time spent with your loved ones will help you get through the next few days and months.*

“ *To the Marcia and Don Delameter Family. I am so sorry for the loss of your parents and Donnie's wife Karen. Life does not seem quite fair. They say God does not burden you with more than you can handle but this seems as bit much for such a good family. My prayers are extended to all of you for the strength to get through this sadness. Beautiful picture of your Mom. Take care. With Sincere Sympathy and love, Charlotte Sullivan and family.*
