“ I was sorry to hear of Margaret's passing, she will be missed by all her new her. These memories aren't just of Margaret, but of the Roof Family. We were your neighbors many years ago, The Boyer's. I think back of all the great memories we had growing up next door to each other. If we weren't home our parents just had to call next door to find us. We would ride bikes up to the lake and then go to the A&W for a root beer before heading home. We all would play hide and seek after dark while our parents talked in the house. The picnics with grilled burgers, hotdogs and who can forget the homemade ice cream, that we all took turns turning the crank on the ice cream maker.

*In the winter we would gather at our pond for a bonfire, roasted marshmallows, hot chocolate, and a game of " Whip". Diane and your parents are all greatly missed. Our lives have taken different paths, but the fond memories will always be cherished.*
