“ You can given a man a fish and he will eat for a day, but teach him to fish he will never go hungry. We all could apply this phrase to this woman. As her granddaughter, I can confirm her devotion to teaching everyone of us the importance of cooking, cleaning, learning and loving. She gave herself to all of us everyday. I always believe "I" was her favorite, but looking back on her life, we all were her favoritities. Her heart was so big she held each of us with a special regard. Every little of bit of love you gave her came back to you ten fold. I miss my days as a child and the time we spent together. And to this day my favorite moments in life was curled up in her lap watching the afternoon programs. We love you grandma.
