“ Aunt Petty was such a special lady. She made you feel special, no matter what you did. You could draw a picture in the dirt and she thought it was a Rembrandt. You could help wash her car and even if it was still dirty she would admire it and pay you a dollar. We loved playing cards with her until the day Aunt Eileen told her we were cheating by seeing her cards reflected in her glasses. Godspeed Aunt Petty.

With love, Danny Gilley

I remember how Aunt Petty could always make you feel speial, I remember how we would be so excited she was coming for a visit, she always parked her car on Pine.St. She watched us { baby sat } many times and for me it was like being on a vacation. Spending time with her in Jersey and in P.A. along with Uncle Raymond made memories that last a life time. Thank's for being " Great " and so kind to all of us Aunt Petty. A wonderful person like yourself will walk right through the Pearly Gates!
