“ *Have known Marie since she lived beside my grandmother in Wysox. She was a very sweet lady who always acknowledged me whenever we were at the same place. Nancy, you were the cutest and best little entertainer !!! I'm sorry for your loss. She was very well-liked by many and will be missed. Heaven has another angel!*

“ Tom...I am deeply saddened about this event. You and Marie are like grand parents to me. I feel just awful for my neglect in not coming to visit . I hope you and she can forgive me for that. I love you both so very much. My heart breaks knowing I will never see here in this life again. All my love to you Tom. Marybeth

“ I am so very sorry for your loss. Marie was such a sweet lady. I knew her from Memorial Hospital when she worked in the pharmacy. She always had a smile and never too busy to say some kind words. Heaven gained another angel. May your memories give you peace and comfort.

“ *What can I say about my aunt, she was feisty, loving, stubborn oh and had a look when you were misbehaving that scared the bejesus out of you.. I love how much she loved my uncle Tom (even though she was known to call him a horses ass now and then) she loved Nancy with all her heart and would do anything for her family and friends. She was my inspiration and taught me not to feel sorry for myself, but to keep on going no matter what. I will miss this strong, loving, beautiful woman and am sad for myself, but heaven is a better place with her in it. Love you always aunt Marie.*
