“ *My sincere sympathy to all of her family. She had the kindest heart for people - especially children. So glad I got to see her about a year ago and we had a wonderful time talking about all the children and my family, too. Her Dad and my grandmother, Charlotte Carman Shores were brother and sister. My love and prayers are with you all.*

“ *To all of my cousins, I am so sorry for your lost. Duane told me that she went peacefully and that you were all with her and that is the best of the best. I will always remember her for many things, but I got thinking the other day about her baking marathons and how all of the counters would be covered with baked goods that disappeared pretty quick when you all got home from school. I know Dad is very sad about her loss and that he was unable to see her one more time, but his health is poor too. My prayers and sympathies go out to all of you. Grandma, Grandpa, Uncle Stan, and Jim to name a few will all be glad to see her in heaven. God bless.*

Fondly, Cheryl (Tom and Christy)

“ *I am sorry to hear of Marion's passing. I had never met her but through the internet, we met and found she had graduated with my mother from Athens. We kept in touch off and on and talked about things and I enjoyed her taking time to share her life with me. She was a joy.. I am sure God will hold her hand in death from Earth but life in Heaven.*
