“ I have been friends with mark for years.I hadn't heard from him for a very long time and started to become worried.I happened to type in his obituary hoping not to see it and it was there.It really hurt me ,and I had no idea he had passed or I would have been there.He is one of my best friends with a huge heart!People who know Mark know this .He is very humble in ways.He always talked about his daughter which was everything to him.The sun rose and set with her!There are too many memories to list with mark and I. I WILL SEE YOU AGAIN SOMEDAY MY FRIEND! I LOVE YOU MAN!

“ I have been thinking about mark for months now ,thinking to myself how I haven't heard from him in a long time. That is how mark was though,he would disappear off the grid and you wouldn't see him for a while.I had no idea he had passed away.I had a strange feeling about things because I hadn't heard from him in a long time.I had lost my contacts in my phone so I lost his number.I figured he would call me to talk when he felt like talking.I just got done voicing my concerns to my wife about mark and decided to investigate as mark would have called me by now.It took my breath away to see him on this site.There have been many memories of mark and I too many too list as he was one of my best friends.He also use to work with me on and off with my business.He would constantly talk about his daughter which he adored with all his heart! Mark and I were really close and he had talked to me about many things,and I would say I am here for you mark any time of the day or night I am here,just call.I know this is late,but I did not know of his passing or I would have been there.It is very hard for me to wrap my head around this and he will always remain in my thoughts.I love you man!

“ Aunt Connie, Don and JJ,
I'm so sorry to hear about Mark. Even though I haven't seen him since we were kids, I know how hard it is to lose someone you love. I will keep you in my prayers.
With love,

“ *Mark will forever have a piece of my heart. He made me laugh, he made me cry and sometimes he made me mad. He felt things deeply, he was a poet and he was just very unique and complex. I will miss him tremendously! My condolences to his family and especially to his daughter Sara. She was his everything...*
