“ I remember going to your house in Avon one summer and Uncle Jim needed some dirt put in your yard. He paid us 10 cents a load in that little wagon. I also remember Terrie and I going to a pit along the railroad tracks and collecting old glass bottles and glass electric things, they were used on top of the poles. I kept these for years. I remember we had bought a camera fro Aunt Dot and on this particular day, Gramma Lane was going on her first airplane ride with Sonny. He had promised her that when she came to our house he would take her up in an airplane. Well, we did and she loved it! Let me add here that I had never flown in an airplane either and I had no intentions of doing so. Gramm said, " Come on Kim, your going too". I said no and you said, " You better go, Injun. So I went. You were videoing her getting in the airplane, and her face was priceless. I will remember this and all the other memories I have of you in my heart until we meet in Heaven. I love you. "Forever and Always" Kim - aka "Injun"

“ Aunt Mary, I remember coming to stay with you in the summer for 2 weeks. I must of been 10 or 11. I had the best time. I loved being with you and everyone. I always liked it when you came to visit us. I enjoyed listening to your country music. I also remember when we bought a video camera from Aunt Dot and you were videoing Gramma Lane getting in the airplane and Gramma made me go with her and Sonny. I might add, I was not planning on flying, only Sonny and Gramma were suppose to go. I had never flown before either and you said "You better go Injun" You did a great job with the video camera, as always. Oh, the memories, I can't put them all here, but I have them in my heart. I love you, Forever and Always.
