“ Oh, my goodness. I was very sad when I heard this. I have known Maxine since before I was born. Most of my early childhood memories are of being at your house, nearly all special occasions. Laughing and enjoying the replay of all the recordings of fun times. I'm glad I stopped and had a nice visit while I was in town. Just walking in that house, brought back a flood of memories. I am so very sorry for the loss of this most wonderful Mother and woman. She will be remembered.
Much love and big hugs.
