“ My condolences to the Miller family. I had a lot of good times with Missy, she was funny, kind, and loyal. I hadn't seen her in some time, because she had moved out of the area, one day her Mom brought her in to have her hair done, it was the day before my birthday, I never mentioned it. Missy sat down and said “Happy Birthday Angie, , I said how did you know it was my birthday, she said because your my friend, I remembered.” That was Missy, it touched my heart that day, and it has the same affect on me today. I will never forget our times together , I always had your back, because you were my friend too.. Rest In Peace sweet Missy.
