“ My deepest condolences to the family on the loss of your loved one. And may the Almighty God continue with you to comfort and sustain you through this difficult time. Because he cares for you (1 Peter 5:7).

“ I met Michael about a year and a half ago driving for BeST Transit and transporting him to medical appointments in Binhamton at Lourdes Hospital. He and I hit it off. I really liked Michael and always enjoyed driving him. He was a really nice guy who was always talking about how he'd like to help others. I was stunned when I heard of his passing. One of my favorite people to drive and had I met Michael earlier in life, we'd have been lifelong friends. A good guy and I am going to miss him. So sad and so sorry for his family. God bless you Michael!

Your friend and driver,
