“ I am so sorry for the Giordano family! Have had a many a good time up at the pond over the years. He was what you called a true friend. He didn't beat around the bush about anything, told you like it was and if you needed him as a friend he would help in any way he could. I will surely, miss him and his laughter and pig roasts, and boating around the pond, and seeing his smile when he had his grandchildren around. Such a terrible loss, my sincerest prayers go out to you all. I will miss him very much, Sincerely, Linda Chilson
