“ Today it will be one year since you left us. Not a day goes by that I don't think about you. It may be a Sara Evans or Sammy Kershaw song or a beautiful deer standing near the road. You impacted my boys and myself in life and now in death.

Miss you!

“ *Words do not come easy at this time to say how sorry to learn of the loss of dear Michael. We remember the day he was born . He came into this world happy and smiling and thats the way he was all tru the years. He and his sister and cousins were all ways having a good time at grandma daisys house. Catching fire flies (which they let loose in the house) playing in the creek, teasing their grandfather and of course all ways being in the woods. Our lives all drift in different directions over the years and we dont keep in touch . However family is forever on our mind and in our hearts. We have just the best memories of Mike he was awonderful nephew and a fun and loving cousin to Nicol, Neil and Nate.*

“ I am so saddened to hear that he is gone. Mike and I were paired up as roommates our freshman year at MU. We became best friends, pledged AXP together and had way to many crazy/great times to recount during our 4 years at MU. We especially enjoyed going hunting and fishing at his uncle's dairy farm. My college years would not have been the same without him. I never met anyone that didn't completely love the guy. Myself included! Life seperated us after MU and I am sorry for that. Mike, godbless, you will forever be in my thoughts and prayers. Godspeed "cravens"

“ *I remember meeting "Rossi" at MU while attending Nursing School. I pledged a sorority and met him and his brothers at AXP fraternity. From the first time I met him, he was the kindest and most approachable brother. His presence lit up the room. I am very sorry to hear of his passing, and now Heaven has gained another angel.*

“ *Mike and I we good friends at Mansfield, we did almost everything together, he was my roommate one summer and I am grateful for fun times we spent together, just hanging out and when you came over to my place in Wyalusing to go fishing with your grandma. Time and life separated us and I regret it. I wish you had a chance to met my wife and kids, they would have like you as much as I did. Thanks Mike "Rossi" Ross for so many memories. I hope you rest in peace my brother.*
