“ I was very sorry to read of Myra's passing. She was a part of my high school years because Barb and I were friends. Then, I connected with her again when Ryan was in my class. May she live in your memories. God bless.

“ I have so many wonderful memories. Myra was my second mother. She and her family always treated me like one of the family, always taking me camping and on vacations to Fair Haven and once to Disney World. She had the best sense of humor and loved to prank me while always keeping a straight face. One of her best was calling me or having Deb or Barb call me to tell me I could see the albino deer on the side hill from in front of my house as they all watched through their kitchen window as I ran outside in my pajamas. She was one in a million and will truly be missed by everyone who knew her. ❤️❤️❤️

“ *My deepest sympathy to all of you with your loss. I so enjoyed visiting with Myra at her home at SNU with my therapy dog, Belle. Myra was a joy to visit and she loved Belle as much as Belle loved seeing her. I've missed her...I'm so sorry...*
