Our local newspaper is falling down on the job of delivering the news to our door. For some reason on the road from Rome to Nichols the newspaper gets lost! And this news has just reached our home; today October 13th.

Our hearts hurt for you all....no one or no one "thing" can replace a Mother. In the number of "years" I can't say I've known you long; but in the number of experiences we've shared the "ledger" is full.

We've spent hours standing out (me sitting) in the cold and the rain....blistering heat with thirsty throats....joy over plates of BBQ Pork Ribs and long hours behind the wheel of a truck. All experiences "shared" for making our businesses profitable.

But once in a while we have to pause and remember the important people and things; and Mothers are the most important.

Howard and I want to express our deepest sympathy for your loss and if there is anything we can do to lighten your burden please let us know.

We're always here at the ready; Carol and Howard Visscher and the rest of the auction crew.

I was so very sad to learn about Nancy's passing. I didn't see her very often but I did hear about her often from family members. She was a special lady and I loved the letters and pictures she sent at Christmas! I remember when she came to our area with her gorgeous art work! She stayed at our home. She reminded me of her Mom, my Aunt Helen. I know she will be missed by her lovely family. God bless all of you! I will be praying for all of you!
