“ Nancy was such a lovely person always had a smile and always willing to help. I met Nancy when her and my Daughter were both in the hospital having their baby 23 yrs. ago. Fast forward 5 yrs. and we met again at the N..R.C. S. where both boys attended school and Nancy and I were involved in many activities for several years. Tony, My sympathy to you and your family. She was one great person, mom and friend. The funeral service was a great tribute of her life. What a promise to know some day we will see her again.
