“ *Nanette was a joy to be around at our square dances. She was a lady and a friend. I loved to watch her and Jim polka! So graceful and spirited. Nanette 's sense of humor was delightful! We had wonderful conversations about our grandchildren, church, and upcoming dances. She and Jim were the master minds behind our gala anniversary dance to honor our 4 couples last fall. It was glorious! We extend our love and condolences to Jim and the entire family. We shall see her again in Heavenly Glory. Respectfully, Scott and Julie Parker*

“ Nanette was a lovely person in every way. We always looked forward to visiting with each other. Nanette was dedicated to her Family. Nanette also gave so much to the Community. She was an active participant and organizer in everything she did. We were both Members of the Rotary Anns supporting all of the Rotary Club’s good works. Back in the day, Nanette was President of the Barclay School Board and a very active Parent Volunteer. Nanette ran many of our fundraisers. In Jaycees, she always had a helpful suggestion. Nanette was so good at everything she did. Always positive and realistic at the same time, Nanette will be missed in so many ways by her Friends and her Community. Nanette was an amazing person! We sending our deepest sympathy to her wonderful Family. With Love, Susan and Frank Innes

“ We came to know Jim Good through his work with Mountain Lake Electric. We learned that he had been a coworker of our father, Dan Puterbaugh, at Sylvania. Several meetings with Jim introduced us to his wonderful wife of whom he spoke highly. Having grown to know Jim, we want to extend our heartfelt condolences to the family at this most difficult time. We pray that the entire family be consoled by the Resurrected Lord and be given strength and courage.

“ Nanette was such a special person. I remember many Thanksgiving and Easter dinners shared around her table... oh her huckleberry pie, best pie ever! She never missed a birthday, and the Christmas letter in the mailbox was something I looked forward to every year. Her family was everything to her. Thank you all for sharing her with me. She will be deeply missed ❤️

“ Jim & family, I am so profoundly sorry for your/our loss of Nanette. What a tremendous loss for all. I've been in shock and have just been thinking on it and this is one thought that has come to the forefront. When someone passes, whoever it is, that loss ripples out to others, like a stone thrown in a pond. For some, the effect is sort of like a big rock plopping in the water. Some are affected, of course, but there's not a lot of impact. Then there are others, where it's like the stone skipping across the top of the water, creating many, many ripples upon ripples. The loss of Nanette doesn't just create tons of ripples; it's like a tidal wave. She did so much for others, had such a positive impact on countless lives...to say it's a loss is an understatement. I'm so sorry for you and the rest of us. Keeping you in my prayers. Wendy Saxe

Nanette Good was one of our teachers in the Sonestown area school district that we had the pleasure of working with. She did an outstanding job and was well respected by her students and fellow staff members. Nanette's young approach brought a new freshness into the school which made the learning process more successful. Teachers like Nanette are needed today more then ever and she was a credit to her profession and family. Dave Kule Laporte Pa
