Nathan Patrick Landes, 28 years old of Towanda Pennsylvania, went home to be with Jesus, at Geisinger Medical Center, in Danville after brief medical emergency, on November 17th, 2024.

Nathan was born at Hershey Medical Center in Hershey Pa in 1996. Nathan was born with Spina Bifida which left him in a wheel chair.

Nathan attended Towanda Area School District where he enjoyed participating in the Special Olympics. Nathan competed in track and field, swimming and bowling and even went to States for bowling, where he won the gold medal. Nathan resided at home with his mom in Monroeton until moving to the Futures home On Maple street in Towanda as an adult.

Nathan loved the Lord and enjoyed enthusiastically participating in the worship and activities of North Street Community Church in Canton PA, where he was known and beloved by many.

Nathans favorite activities included playing games, watching movies especially Star Wars, doing puzzles and learning presidential facts. He could answer almost any trivia question someone could come up with about the presidents. He enjoyed participating in Action Quest where he played baseball among others activities. Nathan also participated in Penn York Opportunities where he recently became a barista at Java Junction in Athens PA.

Nathan was loved by his family which included his dedicated Mom, Lynn Landes, Grandmother, Patricia Dunbar-Landes, Aunts, Marie Taylor, Amber King and Kerri Leiva-Hernandez and Uncle, David Landes. He will be missed greatly by his church family and his caregivers at the Futures home.

Despite the many obstacles Nathan faced in his life, he overcame them with determination, hard work and a sense of humor that was uniquely his.
