“ Our memories of Nora Smith still go back to the lives we lived as friends and neighbors. Nora was a special part of our family and her care with Andy made her a caring second mother. I believe her life was full and rich with family and the busy life on the farm. Everyone who knew her will spend time remembering the kindness she had and the laughter she shared. We add our condolences to the many lives that Nora touched.

“ Hello, my name is Sylvia Silver and I live in Hemet, Ca. I met your Mom at the Personal Care home because she was my sister, Shirley Minier's roommate. Shirley had heart surgery 2 years ago and even though the surgery was a success, they punctured her lung and she never recovered. Your Mom was upset because both ladies got along well. Your Mom was a wonderful lady and I enjoyed spending time visiting with her. Prayers for comfort to your family.

“ Sincere condolences to the family of a wonderful lady. I had the privilege of officiating at her husband's funeral and of knowing her for several years, visiting her , usually weekly , when she was in SNF and the PCH. She was a person of strong faith in the goodness of God, faithful in prayer, and sincere love of others. May God bless the family with peace and comfort in this time of loss.
