“ *Always enjoyed talking to Paul. I also worked with him at the school and he would never accept any of our help when we offered to help him. He was a nice, friendly, hard working guy who will be missed. RIP my friend.*

“ Our Family in the Franklindale community knew Paul for many years. In fact as children we attended the same church. Paul was dedicated to his family, home, and church over the years. Paul had a trusting spiritual mind, and trust the Lord will give His peace and comfort to those left behind. "To be absent from the body, is to be present with the Lord." May God Bless!

“ Paul was one of the most loyal class of 1967 members. He always kept track of everyone after graduation. We were happy that he attended the 55 th reunion last summer, not know that it would be the last time we would see him. Rest in Peace

I saw 👁️👁️ Paul last summer at Sparks Restaurant. I made it a point to introduce myself. He knew my father and I was surprised he had such a good memory. Paul was older than me, but was one student waiting for the school bus at Monroe Franklin School to transport him to Towanda High School. I am so glad I spoke to him at Sparks Restaurant. I just felt compelled to acknowledge him. Colette Long Franklin 🍷
