“ Our thoughts are with you all. I worked with Pearl at the doctor's office and got to know her so well. She is a delightful person, caring and kind to co-workers and to all our patients. We missed her when she retired but I often caught up with her during cattle shows at the Troy Fair. She and Oscar raised a wonderful family.

“ The first winter I moved to the area I was sitting in church with my Mom (Harriet Lazarus). During the praise time Pearl spoke from the other side of the church and shared how she was so Thankful for the SNOW!! My Mom responded every so loudly, "Thank You Lord!" I can see them now strolling on the streets of gold together on the side of heaven where it is snowing. Colleen Taylor
