Lorraine and family, Terry and I will never forget our first wonderful neighbors at Lake Bonin. You two were part of the charm of being there. We loved you guys and felt blessed to have you in our lives and missed you so much when you left. We are so sorry about Percy and wish we could be there on Saturday, but it is not possible. We will remember Percy in a moment of silence and pray for him and for you that you may find peace in remembering the life he lived and the joy he gave. God bless you all. Love!
