“ To be honest I did not know Philip that well but his mother was a teacher for my children in grade school at SRU. Linda was a very dedicated teacher as I am sure she is a mother. My heart hurts so bad for you Linda. A mother should go before their child. But we are not in control. My prayers are with you and all the family and friend at this sad unbearable time. They say God doesn't give us more then we can bear. Again some day we will see Gods glory in things we do not understand today. May you receive that peace and comfort that's beyond understanding at his sad time. God's Peace.
