“ May Phyllis Marie Buskirk RIP, far be it for the true God to act unjustly, "if an able bodied man dies can he live again? All the days of my compulsory service I shall wait until my relief comes." Job 14:14. With hope may your hearts and minds remain sure with the helmet of salvation. "But as for us who belong to the day, let us keep our senses and have on the breastplate of Faith and Love and as a helmet the hope of salvation" 1 Thessalonians 5:8; 1 Thessalonians 4:13; Psalms 115:16; John 5:28, 29; Psalms 37:11

“ HEAVEN NEEDED MOM

*So many things of Mom I miss---  
Her gentle hug, her smile, and her tender*

*kiss.*

*I still can feel her warm embrace.  
And picture yet her loving face  
A Mother's tasks are never done.  
And Heaven must have needed one.  
For the angels came and took her hand  
And led her to God's promised land.  
She's surely kept quite busy there  
While brushing little angel's hair.  
And making sure they're dressed just*

*right.*

*Not staying out to late at night.  
Although there's sadness, I kno--  
She's waiting there, her face a glow  
I close my eyes and I can see--  
Her arms still open wide open for*

*all of us when the time comes.*

*Mom, we all love and miss you*

*terribly but we also kno that we will meet*

*again. We all go by rummage sales & we*

*think wow Mom would love this & that.*

*We kno that you are looking down at us*

*and keeping us safe. We also kno you will*

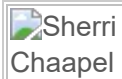

*be waiting for us when it is our time.*

*I Love & Miss You Mom Forever &*

*Always, Your Daughter Sandy*

“ *A Beautiful Angel*

*A beautiful angel is all that is here  
Saying O'Lord please leave me here  
Not ready to leave but has to go  
Wants to go back but God says no  
Her Children,,Grandchildren, Great Grandchildren, Great Great  
Great Grandchildren, Friends, and Her Cats  
A meaningful life that suddenly ends  
And angel is what she was meant to be  
Now think of all that she can see  
Watching over her family night and day  
Saying I love you in her own special way  
In the night we sleep and in the day we cry  
While she watches us all from her star in the sky  
Grandma you will always be in Our Hearts and Our Souls Forever  
and Ever and A Day.*

*We Love You Grandma (21 Plus).....Love, Granddaughter Kelley,  
Grandson Lonnie, Great Granddaughters AmberLynn, Topanga,

“ *Thoughts and prayers to everyone on the loss of your mother,  
grandmother, aunt and friend. She will be missed by all. Don't be  
sad for her as we all know she's happy & probably sitting on a

“ *This life is but the first chapter in the BOOK OF LIFE...not the end...it is to be continued... continued in heaven...no break between the chapters..".to be absent from the body is to be present with the Lord "(2 cor. 5;8) (MRD)*

*Death is the last chapter of time, BUT the first chapter of eternity. ...you could be sweet and sassy at the same time...and made sure we knew our place....if we forgot for a moment...it was a switch from the lilac bush....funny ...but i love the smell of lilacs....*

*You made everyone feel that they were the most important person and gave love freely...you took to heart every newspaper story...tv program...or just someone you saw walking down the street. well, its the first day of summer today mom....your favorite time of year that you always looked forward to...the birds are singing and the flowers are beautiful...now...you can enjoy everyday...no more waiting for winter to pass..*

*I love you mom always and forever your daughter Linney*

“ *I will never forget your Mother. She would come into the office always with that little "devil" smile, sweet little raspy voice but I knew she was only going to do what she wanted, no matter what I said!*
