“ *Randy worked for me for a few years in construction. He was a great worker and I enjoyed him. I think he liked doing carpentry work except for replacing a steep barn roof that he didn't like at all. He was always a dependable employee. We hunted and played on a softball team together. Good times. Our thoughts are with the family.*

“ Randy and I were the best two pitchers on the 1980 11 wins 7 losses Baseball team.

Randy was a true pitcher, patient, talented, and an excellent fastball that he threw at the knee level for strikes. Randy was the best pitcher at NEB for two seasons 79 and 80. He had ultrasound treatment on his arm a few times. Randy also was a good basketball, always smart and played well on the baseline. A truly talented pitcher, with better pitching coaching and a healthy arm, the professional minor leagues would have been within his future. Great Competitor.

“ I worked with Randy for over 36 years at Rusco Window Company and Lawrence Companies. The light of his beautiful spirit lives on. I always said his eyes twinkled when he smiled and that is what I will always remember.
