“ We were sorry to hear of Ray's passing so soon after entering the Elderwood home.

We remember Ray from roller skating days at Fraley's park in Waverly, long ago.

Richard met Ray again at Stateline Auto Auction where they both worked.

While working for Mrs. Hartford at Sunset Trailer Park. He met Ray again. Ray was in yard, his door on his big car was open and he had music playing which sounded like the skating rink music.

Richard did some repair and maintenance work for Ray at the park also.

We were impressed by Ray's concern and caring for his neighbors at the park, especially

Mary. He took Mary's dog in as his own after her passing.

Ray was always kind, considerate and caring.

Thanks to niece Deborah for her being there for Ray in his final days.

With our sympathy and faith is God,

Richard and Norma Maslin
