“ Ray will sorely be missed. I remember many chats with him at YHEC. A specific conversation of how "Ma Nature" will guide you if you listen. The woods are our church and that's where we find peace. I know Ray is sitting in the woods now at peace. Our community couldn't have asked for a better mentor and friend. Adults and children looked up to him. Deepest condolences to all that loved him.

“ Well, Ray Finlan, I sit here staring at my keys held together with a key chain.

It says " Thanks Carol for steering us straight"

I remember how petrified you were of Orienteering, but after you learned the tricks of finding your way with a compass and map you were never to get as lost again!! LOL

My dear friend, May your compass serve you well as you travel a new journey.

Ray, you gave your all to children that shared the same desire of the hunt and the wild. Your wiliness to learn, share, and care placed you above most. I pray that all of your kindness and support will help your children as they find their way in life.

Ray follow the north star ~ You will never get lost ❤️

“ Dear Helen, Marilyn, and Family,
We were so very sorry to hear of Ray's passing. It has been many years since I had seen him, but I often heard about his outdoor adventures through Brian. As kids, I can still picture him working with John on the paper truck when we picked up the Sunday newspapers every week. Praying God's peace surrounds you and you find comfort in your memories, knowing that Ray had such a positive impact on so many throughout his life.
