“ Star, Carlos, Children, & Family,  
Kenny and I are extremely saddened by the untimely demise of RayRay . Our hearts are shattered our love & prayers are with all of you. We were so blessed to have had Ray Ray in their lives.

An anonymous author wrote, "Those we love don't go away, they walk beside us every day. Unseen, unheard, but always near; still loved, still missed and very dear".

It is also said that no being ever dies. Not so long as there is a memory to enfold them & a heart to love them.

May these words bring you comfort at this sad time. Our love, condolences and sympathy to you all. All that knew RayRay loved him. I will forever think about him with such fond memories. I didn't see him often but when I did I could always expect a big smile and a big hug. He will be missed dearly, and with gratitude, He will remain in our hearts. God Bless you all.
