Resl held the grace, the beauty, and the spirit of love and joy in her heart, and in her presence, and will be always loved, and forever remembered, as an angel who passed before her time. She was the sparkle that made the sunshine and the stars twinkle, the earth a better place, and now she is in heaven- God Bless you in this time of sorrow and know she is in heaven.

I met Resl about two years ago and instantly fell in love with her. She was in my thoughts and I felt such warmth towards her and wanted to nurture her and put her under my wing forever. She passed on my birthday and it will always come to mind as my birthday comes and goes every year. I know she will be in a better place and I will always remember our two specific times out and talks at those times.

“ We will always remember Resl's beautiful smile and boundless spirit. We wish we had more time to spend with her, but we will always cherish how with dignity and a sense of humor, Resl and her mother joined us for a crazy debacle of a surrey ride down the Betsie Bay trail in our favorite town, Frankfort, Michigan. As we enjoyed the sunshine and beautiful scenery, we laughed and told stories to each other while gasping for breath as we pedaled furiously along the trail. Every time we return to this place, she will be with us.

Love Always,

Doug and Brewster
