“ Dick Say was a wonderful, kid-centered Coach and an even more incredible, student-centered Sayre High School teacher. He understood teenagers and was universally well-liked and very highly respected by his students and his peers. It was both a pleasure and an honor to work with him. The number of former students and co-workers who attended his viewing and services was a testament to the impact he had on our students and our school.

“ My heart breaks a second time for the Say Family. I will lift up prayers of healing for you that your sorrow will fade into the night and only the light and joy of life and love remains. I have so many things that I could speak to about the person known to me as Friend, Coach, Boss and Mentor. Most of all Friend -Dick. His influence on me was profound though he probably would not have known it nor taken any credit for it. The many hours spent with you both, talking the hours away, enjoying life and all that it had to offer, from your beautiful home in the woods to the warm chlorine filled air of the pool! So many fond memories that I have carried with me always and will recall my Friend Dick Say with a tear and a smile. May the Creator take you in his arms and offer you comfort. “ I also remember Mr. Say from swim class & gym class, he always knew when we were making up an excuse to get out of class and he would just kind of smirk and shake his head at us because he knew we were making it up. God Bless the Say family during this time; my condolences to you all.

“ Marge and Family, Sorry to learn of your loss. He was a GREAT guy! In High School I used to use the kick boards to practice skate boarding tricks off the diving boards. He would only allow me to do these tricks because I wouldn't break the kick boards like the other kids did. =:-) I'd go up on the high dive and shout down, hey hey Mr. Say! He'd look up shake his head and smile. Super cool guy! A few years after High School I was home on leave from the military I stopped by the school to see him. He was suprised and glad I stopped by, we joked about the kick board days and the HEY HEY Mr. Say!! He touched alot of people and gave us many memories.

Dick Say was a good fishing friend of mine. A great conversationalist and good listener. As a teacher he was highly respected and popular - a good example for students to follow and a true star on the Sayre High School faculty.
