“ *Dick was the best boss ever. I worked with him a couple of summers doing lawn care. Always did good work and treated his clients and workers with respect. I remember his briefcase with a couple of cold rolling rocks used to rehydrate his workers after toiling in the sun, I also have fond memories of spending time with Dick and Betty, Sara and Zack up on Bridge Street Hill. Good people who welcomed me into their home. Fare thee well*

“ It was so good to see Sara and Zack recently. They came home to take care of their father who I always enjoyed talking to whenever we met. We have known "Dick" for a number of years because of his exemplary off springs who were friends and school mates of our children. Our deepest sympathy to the family. Muisje and Fred
