January 18, 1942 - February 28, 2016

Richard L. Spicer, 74 of Waverly, NY passed away Sunday morning, February 28, 2016 at his home following declining health. Richard was born in Sayre, PA on January 18, 1942 the son of Clarence Lynn Spicer and Ella Jane Wolcott Spicer. He was a graduate of Sayre High School and was later employed on the railroad as an engineer beginning with the Lehigh Valley, continuing with Conrail and lastly with Norfolk Southern Railroad from which he retired in 2001 following his 35 year career. Richard was also a co-owner of Charm Pools, Inc. of Waverly, NY.

Richard possessed a very good work ethic and when not at work on the railroad, he could be found at Charm Pools or out on job sites.

He was a lifelong member of the Elks Club in Sayre PA, and over the years he enjoyed spending time at the Moose lodge, American Legion, Sons of Italy and the VFW.

Richard's passion in life encompassed his children as he took great interest in their lives and was very protective of them until the very end. He enjoyed spending as much time as possible with his son, Wade at the lake house on Seneca Lake. Richard enjoyed boating and just relaxing on the docks. He also spent many years going with Wade to Penn State football games and was an avid tailgater. He truly was the best father that one could have wished for!! He was diligent in calling his children nearly every morning and every night to say goodnight and only stopped several weeks before he died, due to lack of strength.

Richard is survived by his son, Wade L. Spicer of Watsonstown PA and daughter, Tami L. Spicer of Colleyville TX., sisters, Kay Onofre and Linda Spicer of Waverly NY and his niece Stacy Onofre of Waverly NY as well as many friends.

He was predeceased by his parents, Clarence Lynn Spicer and Ella Jane Spicer of Waverly NY and his brother in-law Richard Onofre of Waverly NY. Services will be private. There are no calling hours.

“ Dear Wade and Tami,

*I am truly sorry to hear of your father's passing.*

*He was such a fun loving, social person, always enjoying to be out, around people, and always having a kind word for everyone.*

*Personally, it was a pleasure to see him when I would come home (and I saw him just a few months ago) and would regale me with stories from the past.*

*Your Dad and Mom were great friends with my Dad and Mom. The Blackman's and the Spicer's go way back together, and I have many fond memories of going up to your house to swim in the summertime, the card parties your Dad put on with all the railroad guys, your Mom with her horses, you two as babies, etc.*

*My Dad (who is in Elderwood now) asks that I pass on his most sincere condolences. From our family to yours, please accept our most heartfelt sympathies.*

*I know you will miss your Dad very much.*

*Respectfully,*

*Robin Blackman*
