“ *I had the privilege of knowing Richard while he was a resident of Memorial SNF. He was always friendly, with a great sense of humor, no matter how he was feeling on any given day. We shared some old military memories and stories together, as well as some spiritual insights. I was hoping to see him again after the coronavirus quarantine was over, and I could get back to visit the SNF facility, but, alas, it wasn't meant to be. I'll miss him. May he Rest In Peace. My sincere condolences to the family, especially, his daughter, Renee, who visited her father daily. I know other family members were visiting regularly, but I only met her. May God bless you all with peace during this time of loss.*
