“ *My sincere condolences to Rick's family. I will remember Rick for the many conversations we held in the halls of Claverack. Rick always greeted everyone with a smile, a hello, and how are you? We shared our experiences in 4H and our mutual family love of horses. Rick was intensely proud of his family and always related his pride in his children. May your many good memories sustain you in your time of grief. - Sincerely, Steve Sliwinski*
