“ Rick & I was born about 11 months apart. He was born in January 1963 & I was born in December 1963. Rick & I was very close as kids. Getting into trouble together, going on adventures on our grand-parents farm, sledding down the hill on our grandparents property. As we grew up unfortunately, we went our separate ways running into each other from time to time. Oh dear cousin, I wish we could go back to when we were kids. I will miss you. You had such a sweet nature to you and had a heart of gold. Until we see each other again. Rest in Peace! Say Hi to my Mom and let her know that I miss her too.

“ *Its been many years but my favorite memory of Ricky is when I was very little maybe 5 or 6 and wanted to go sledding with the big boys down Grandma's hill. When no one would take me Rick would let me go down the hill with him on his slide. I always remember him for his sweet nature, kind heart and inclusive spirit!*
