“ I was so sorry to hear from Donna about Bob's death. I was very fortunate to have played softball with Bob in the Elmira city league. Not only was Bob a great pitcher but also a very respected person. There was only Bob Hettich. So sorry for his family.

Respectfully,
Mike Flaherty

“ Bob will be remembered by Lugene and Mike Mitchell-Hamilton, on Waterbury Hill, Avoca NY, for his love of home made ice cream at the Hettich-Mitchell picnic. He would always bring the makins' and encourage everyone to a least have a few stirs! For that we will miss him. God rest your soul Robert. Our thoughts and prayers to the family.

“ *I knew Bob from a distance initially, as he was a student and athlete at Troy High School where I was an underclassman. Upon my return from the armed services, I entered college and needed summer jobs to help finance my education. I landed a job with Hettick Roofing. On summer days when the heat of the sun made roofing shingles easily tear; we would take a mid-day break so the roof would be cool enough to return to work. During those lengthy breaks we had lively and interesting discussions covering many and varied topics. During this time I got to know Bob on a whole different level. After college graduation our paths diverged ,but when they crossed we would stop and chat . I have always had great admiration for Bob. My life has been enriched by our acquaintance. My sympathy is with his family members for their loss of husband, brother, father and friend. Sincerely, Richard Eaton*
