

Robert Merle Reeves

June 20, 1960 - April 15, 2020

Robert Merle Reeves, of Athens, died at his home on Wednesday, April 15, 2020. Robert was born in Raritan, NJ to Richard and Jean Reeves on June 20, 1960. Robert was preceded in death by his father, Richard, brothers, Ronald and Roger. Robert was an entrepreneur and philanthropist with much success. His heart was bigger than his pocket. Robert was always the life of the party. He always wanted to have a good time and could turn a bad situation into a positive one. Robert spent the past few years in retirement with his wife, Marcy, raising their 18 month-old daughter and his stepdaughter, traveling and celebrating life, making his final years nothing short of amazing. He leaves to cherish, honor and protect his memory, his wife, Marcy Reeves; mother, Jean Reeves; brother, Richard Reeves and wife Karen; son, Robert Reeves II and wife Nicole, and son, Jamison Reeves and wife Lisa; daughter, Mia Joy Reeves, stepchildren Alex and Lindsey, and grandchildren, Prestyn, Natali, Lincoln, Parker & Gwendolyn, as well as many nieces, nephews and friends. While Robert left this world too early, he left his mark on anyone fortunate enough to meet him and enjoy his sense of humor. Due to present Covid-19 restrictions for public assembly, family and friends who wish may pay tribute to Robert's memory during a drive-by time of reflection on Saturday, April 25th from 12:00 to 1:00 p.m. which will be held at Reeves Business Park in Wysox, PA. “ We would like to extend our deepest sympathy to the Reeves family. We knew Robert through our business, and always enjoyed working with him. He was a very upbeat, fair and friendly customer. He would be so proud of those traditions and values being carried forward by his son Robert at D and R Steel.

I never got the chance to meet Rob, But I know how happy he made Marcy and his children. Why does God take some of the best people? I think He wanted another Angel to guide and protect his family and friends. I know he made Marcy and his family really happy. I never heard a bad word about this man. Rob might be gone, but I know he will never be forgotten.. Rest in peace Rob. We will all see him again some day.

“ I ‘m sorry for your loss. I met Robbie in the early days of D & R steel . Robbie possessed a PHD in “ blue collar street smarts “ . He welcomed a challenge and his enthusiasm while solving a problem was contagious. He loved to tinker but his toys were on a larger scale than most ! I’ll miss his smile and his laugh. My condolences to all.
