“ My memories go way back!! I worked with Rogena when she managed Central Sterile Services when I was an OR tech and then in central sterile services as a central sterile tech. She shared a lot of knowledge with me and helped me become the manager in Central. She was a wonderful person and would help anyone. I had several trips with her for various meetings and we shared some time with her daughter Teresa in Carlisle PA. Cheryl was a friend to my sister Judy. Lisa worked at Rite Aid and was also a caregiver for Rogena when I visited for Rogena's birthday several years ago. Rogena has always been in my memory on September 11th, her birthday. I'll always have good memories from all the years of knowing her. She was a great person. Proud to have worked with her. With Love from Carol Ackley
