“ *I only met Ron a couple of times, spoke on the phone once. He surely seemed like a genuinely nice, hard working man. I do know he loved his animals. My deepest sympathy to his family.*

“ I passed Ron on the roads every day while we were running our routes. We'd give each other a friendly wave and stop to chat once in awhile. It's not going to be the same not seeing him out there on the route.
Sincere condolences to his family.

“ Ron picked up our garbage for us for many years. We always really appreciated him because he was so nice and always there on time. He would play with our dogs if they happened to be in the yard, and our kids liked to see what he would have on the front of his truck. We are very sorry about you loss.
