“ Ruth was family to us here in Florida. She was a friend and had an amazing sense of humor! We had many good times and laughs the past 3 years that I've been back in Florida. I was blessed to have her in my life and to have all the wonderful memories with her. I even introduced her to internet and we have funny pictures together that I want to share with everyone. We had a great time this day. We had to wait while getting her car serviced and past the time laughing at how funny our pictures were. In parting we always said I love you. It was an honor to be there until she passed over. I love you my dear friend.

“ A very special lady. I got to know her while she lived in Florida her last 20 or so years. She was just like family. We talked on the phone almost every week. I had the pleasure of of taking her to dinner on her 98th birthday. Her mind was sharp till the end of her life. I was with her during her last moments. I cherish all the time I spent with her. I loved hearing all her true life stories. She was one smart cookie! Rest in Peace my friend till we will meet again ❤️

“ God sent us an angel when Ruth came into our lives. There aren't words enough to explain how much she meant to me and my family, but God knew that I couldn't have made it through the illness and passing of my father, M.K. Carr, without her. She very quickly became like a mom to me and grandmother to my children and grandchildren. Her sweet and caring personality, as well as her humor, definitely made her "one of a kind." I will always cherish my memories of her and will miss her greatly. Rest in God's arms now, Ruth. You have more than earned your reward.
