“ I'm so sorry for your loss. I'll never forget the short summer we spent getting to know each other. I'll never forget watching him work on his house behind dunkin' donuts. He was such an amazing man. So deep yet he rarely never had an excuse to end conversations lightly. He was proud of his baby sister who drove the school district bus. He was so proud taking me home to his family. He was so loved by you guys and he knew the love you had for him. This truly is an utter unsettling surprise such a beautiful soul with so much life left to live was taken from us way too soon. His memory will always be in my heart. My heart breaks for you. Sending my love.
