“ You go and rest now Sal. My memories of our long and lasting friendship spent together will carry me through. We had a lot of good times and some not so happy, but always stood together through it all. I am glad I was with you when you took your last breaths here on this earth. Thanks for including me in your life and in your family for so many years. Scoot will be along soon to join you, i'm sure. 😊 God's speed my friend! Kate.
