“ Sally was one of the sweetest people I have ever known. She was always so quiet, even in high school, but always a true and loyal friend. We were good friends all thru high school, her nickname was Sal, she was so smart. I probably won't have graduated if not for her. lol. I didn't see her much after school, only at the grocery store, but we would catch up. She was truly a very special lady. Condolances to her family. Rest in peace my dear friend. “ To Sally's family, May time ease the pain that no words can. I first met Sally when she came to work at the Stevensville Post Office. She was a pleasant addition to the community. Sally and I visited most every day while she was our postmaster. From Betty (Don) Bates
