“ Deanna and Stacy,

I am sorry to hear about your mom's passing. Being so close to my mom's passing, I know the feeling.

I was shocked to find out that both of our moms were terminally ill from the same cancer. I know I said it before with it being so soon with my mom I'm grieving just the way you two are.

One day at a time. That is how I am taking my mom's passing and as fast as it happened it's just one day at a time.

Hopefully you can find the peace that I'm finding with doing it one day at a time. Both of you will be in my prayers. Along with the holidays coming, it's okay to find it difficult. Don't let anyone tell you to any different.

What I've learned is we all grieve in different ways and we have to accept that and we have to accept others ways. It makes it much more peaceful for everyone.

Nothing but love for you both.
